# Training, Technical Assistance, and Resources

The following statewide resource projects provide training, technical assistance, program and staff development resources, family education resources, and support for various aspects of California Early Start.

---

## California Early Intervention Technical Assistance Network

*WestEd Center for Prevention and Early Intervention*

429 J Street  
Sacramento, CA 95814

**916/492-4000**

**Fax: 916/492-4002**

Under the direction of the Department of Developmental Services (DDS), the California Early Intervention Technical Assistance Network (CEITAN) provides training, technical assistance, and support to agencies and programs regarding the Early Start system for infants and toddlers with disabilities and their families.

CEITAN facilitates the implementation of a statewide comprehensive system of personnel development (CSPD) for Early Start. CEITAN coordinates with colleges, universities, professional organization, Part B CSPD activities, and other personnel development providers to enhance training opportunities in the field of early intervention.

### **Early Start Statewide Institutes and Special Topic Trainings**

- address early intervention competencies for professionals in three core content areas
- service coordination trainings: foundation and advanced
- annual Family Resource Centers and Networks Conference

### **California Early Start Personnel Development Scholarship Fund**

- supports professional development for personnel who provide early intervention services

### **Community College Paraprofessional Preparation Project**

- developing a comprehensive curriculum for persons interested in working with infants, toddlers, and young children with disabilities through a network of community college child development programs (see listing on page 65)

### **Early Start Consultant Network**

- provides technical assistance in CSPD product development, the monitoring process, and on other State priority projects.

# Early Head Start Programs

Early Head Start (EHS) is a federally-funded community-based program for low-income families with infants and toddlers and pregnant women.

Its mission is to promote healthy prenatal outcomes for pregnant women, enhance the development of very young children, and promote healthy family functioning.

Early Head Start programs have the responsibility to coordinate with programs providing services in accordance with Part C of the Individuals with Disabilities Education Act.

Children with disabilities are fully included in program activities.
